VALUE-PRICED

NEW Do-It-Yourself Tune-Up Kits

We are excited to introduce five individual Tune-Up Kits – each including some of the most common parts needed to repair or refresh your GERBER EDGE® Printers, Sabre™ 408 router, or Gerber plotters. You don't have to be a tech-head to get your Gerber equipment up and running to optimum performance. Each kit is neatly bundled with clear, step-by-step instructions, so it's never been faster or more convenient to get your equipment in tune.

Plus, if you have any questions, you can always call Gerber Service for advice at 1-800-828-5406 between 8 am and 7 pm Eastern time.

Contact your local distributor for more information.
