

GerberColor FX Foils: Spot Series

GerberColor Spot Series (GCS) foils are available in a wide range of smooth, consistent pigments that match popular vinyls, films, inks and paints. In addition, GerberColor Spot Series foils are a cost-effective and time-saving alternative to a four-color process for one, two, or three-color jobs and offer color matches that cannot be achieved with a four-color process.

Some colors may not be exact matches
