Gerber Introduces New Abrasion Guard SPF Foil

SOUTH WINDSOR, CT – September 22, 2008 – Gerber Scientific Products, a worldwide leader in sign-making and specialty graphics systems headquartered in South Windsor, CT, is proud to announce the GerberColor Abrasion Guard SPF (Sign Protection Formula), our new foil that adds UV protection to EDGE™ output. It has the same abrasion and chemical resistance as the original Abrasion Guard, plus it provides up to 30% longer UV protection. This foil has been beta tested for several months and has received glowing testimonials. The EDGE owners that have tried the Abrasion Guard SPF have said they will be using it on all of their EDGE jobs. You wouldn't think of going out without using SPF to protect your skin... so don't let your customers install a sign without the protection of Abrasion Guard SPF!

About Gerber Scientific Products
