Gerber Guardian Plan Terms and Conditions

1. What is Covered

- a) **Onsite Labor and Parts:** Except as set forth in Section 2 below, all spare parts and labor necessary to repair the Covered Equipment so that it performs in all material respects according to published specifications, including the costs associated with shipping such parts from Gerber, are included.

Replacement of any printhead covered by this plan is limited to one replacement per contract year.

- b) **Technical Support:** Priority Gerber Service phone support.
- c) **GerberNet:** Access to the GerberNet on-line technical library.

2. What is Not Covered

- a) The following are not included: (i) consumables, (ii) standard maintenance items other than those provided under the preventive maintenance visit, (iii) spare parts or services for options and accessories, (iv) and thermal or inkjet printheads that are considered regular maintenance items (as identified in your user manual). "Consumables" include, but are not limited to, knife blades, pens, bits, and other items traditionally viewed within the industry as consumable items. "Standard maintenance items" include, but are not limited to, plotter cutting mats, inkjet deliver system components, tool holders, covers, vinyl squeegees, router motors and spindles (excluding ATC spindle motors), table surfaces and slats, mist coolant storage or delivery systems, chip removal systems, machine casters, stands and view windows.
- b) Failure of equipment caused by the use of unauthorized substrates, inks or dyes, unauthorized repairs, neglect, misuse or mishandling, or other damage by fire, casualty, third parties, etc.
- c) Loss or damage to recording media or software, loss of data, or loss of materials resulting from machine malfunction.

3. Equipment Eligible for Coverage

- a) **In Warranty / contract:** Any equipment that is currently covered by a standard Gerber warranty or service plan.
- b) **Out of Warranty equipment:** Any equipment that is out of warranty or out of contract are subject to a qualified inspection at Gerber's then current onsite service fees; Service Partner will be responsible for any parts necessary to restore equipment to Gerber's standard configuration and operating standards.
- c) **Covered Area Limitations:** All equipment must be installed and used within the United States (including Alaska and Hawaii).

4. If Covered Equipment Needs Service

- a) Customer will call Gerber at the number listed on the front page.
- b) Gerber and Customer will attempt to determine the cause of the problem over the phone.
- c) If Gerber determines that spare parts are needed, Gerber will endeavor to ship new or refurbished parts the next business day, freight pre-paid.
- d) If Customer is not able to repair the Equipment, Customer will advise Gerber by telephone and if Gerber is unable to resolve any problems, Gerber will schedule an on-site visit. Gerber will make every reasonable effort to make the on-site visit within one business day of the failed customer repair, subject to technician and parts availability.

5. Coverage Period

Coverage begins upon expiration of any existing coverage and will continue for twelve (12) months. All amounts due shall accompany the signed agreement. For equipment that is not under warranty or service contract by Gerber, coverage will begin upon the completion of a qualifying inspection and all necessary repairs (see section 3b, above) and receipt of full payment for the coverage period and applicable fees.

6. Expiration of Coverage

This agreement shall remain in effect until the conclusion of a thirty (30) day period commencing upon the date either party receives written notice of termination from the other party..

7. Contract Cancellation

This agreement is not subject to cancellation during the coverage period except for default by Gerber or customer under the terms hereof.

8. Transferring Coverage

Subject to Section 3c above (Covered Area Limitations), if customer sells the Covered Equipment during the term of this plan, this agreement may be assigned to the new owner for the remaining term of the contract provided Gerber is notified of such assignment in writing by buyer and seller. The transfer of this contract extends only to the Covered Equipment and may not be transferred to any other product.

9. Governing Law / Warranty Disclaimer

This plan is governed by the laws of Connecticut, and the Connecticut courts shall have the exclusive jurisdiction relating to disputes between the parties. Except for obligations to make payments hereunder, neither party will be liable hereunder by reason of any failure or delay in the performance of its obligations on account of any cause which reasonably is beyond its control. Replacements are on an exchange basis with new or like-new products or components. Gerber may subcontract any work to be performed hereunder and may assign this plan.

GERBER SCIENTIFIC INTERNATIONAL, INC. (OF WHICH GERBER SCIENTIFIC PRODUCTS IS A DIVISION) DISCLAIMS ALL OTHER WARRANTIES, EXPRESS, IMPLIED OR OTHERWISE, WITH RESPECT TO THE PRODUCT AND PARTS AND SERVICES CONTEMPLATED HEREUNDER, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

10. Limitation of Damages

IN NO EVENT SHALL GERBER BE LIABLE, WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), WARRANTY OR OTHERWISE, FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY OR PUNITIVE DAMAGES (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS OR LOSS OF DATA) ARISING OUT OF OR RELATING TO THIS AGREEMENT, EVEN IF GERBER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
